

Prospect Commercials Ltd working in Partnership with the Fortec Pallet Network

Fortec National next Day

For all your time critical deliveries Prospect Commercials in partnership with Fortec ensures a quality next day delivery service throughout the UK. Alongside the standard next day service there are Premium services designed to speed up your delivery:

- AM Delivery – between 9am and 12 noon, Monday - Friday
- Specific timed delivery – guaranteed within 30mins either side of your specified time, Monday - Friday
- Saturday AM delivery

Fortec National Economy

When time is not of the essence then our economy 72hr delivery could be what you need – guaranteed within 3 working days (Monday – Friday)

Fortec Europe and Beyond

Utilising the resources of Geodis, Fortec Pallet and Prospect Commercials we offer an unrivalled European palletised freight delivery and collection service with daily departures from the 'Hub' to all European destinations.

Why Fortec?

- Awarded "The UK Pallet Distribution Company for 2007" by the Institute of Transport Management
- No other network can offer such a comprehensive pan European service
- High Security freight distribution networked service
 - Goods scanned and photographed at each destination
 - Proof of Delivery (POD) the instant goods are delivered
 - Constant goods tracking
 - Service dedicated to high value goods
- Fortec meet their customer requirements at their point of need responding positively to market forces and demands.
